Metro plans, administers, designs, constructs and operates LA County's transit and rail transportation system. Additionally, we are one of the nation's largest funders of multi-modal transportation and goods movement projects. Metro is truly unique among our national transportation constituents, with broad responsibilities in the areas of planning, programming, design, operations and construction.

Metro is seeking a Chief Communications Officer to assist in executing Metro's mission to provide a world-class transportation system that enhances quality of life for all who live, work and play within LA County. This is an opportunity to join one of the nation's largest and most innovative transportation systems.

The Chief Communications Officer develops the overall strategic communications vision and goals in alignment with the agency's vision and goals. This position oversees implementation of communications plans, programs, initiatives and activities to reach the various and diverse communities across the region; and ensures communications efforts and messages are coordinated, consistent and reflect a unified voice. A bachelor's degree in Public Administration, Communications, Marketing, Public Affairs, Journalism or other related field AND eight (8) years of senior management-level experience in communications, marketing, public relations, community relations, legislative affairs or advertising programs is required. A master's degree in Business, Public Administration or other related field is desirable.

To be considered for this exceptional career opportunity, submit your resume, cover letter, and a list of work-related references. Resume should reflect years **and** months of employment, beginning/ending dates as well relevant work experience. Apply online here: <https://secure.cpshr.us/escandidate/JobDetail?ID=433>
